

# Favorite Time Of Year

Debby Ryan

Gotta have a little mistletoe  
Mix it with a little jingle bells  
Need to have a bit of winter snow  
Yeah-eh

Come on over, celebrate with me  
Hang us up on a Christmas tree  
Tie it all up with a perfect bow

You and I  
Will be dreaming tonight  
But if I  
Can't wait 'cause it's my

Favorite time of year  
yeah, it's almost here  
Can you see it now?  
It's comin' and comin' and comin' around

My favorite time of year  
Feel it in the air?  
Can you feel it now?  
It's comin' and comin' and comin' around  
(Comin' and comin' and comin' around)

Going out to see the city lights  
Walking with you on a Saturday night  
We'll be singing everywhere we go!  
(Where we go!) Yeah-eh!

We'll be busy making memories  
All the way up until New Year's Eve  
We'll be dressing up in red and gold

You and I  
(You and I)  
Will be dreaming tonight  
But if I  
(But if I)  
Can't wait 'cause it's my

Favorite time of year  
yeah, it's almost here  
Can you see it now?  
It's comin' and comin' and comin' around

My favorite time of year  
Feel it in the air?  
Can you feel it now?  
It's comin' and comin' and comin' around

So make a list  
Check it twice  
Make a wish right at midnight  
It's almost here  
It's in the air

I can't wait 'cause it's my...  
Yes, 'cause it's my...
