

# Look To The Rainbow

Deborah Cox

On the day I was born, said my father, said he  
"I've an elegant legacy waiting for ye"  
'Tis wine for your lips and a song for your heart  
To sing it whenever the world falls apart

Look, look, look to the rainbow  
Follow it over the hills and the streams  
Look, look, look to the rainbow  
Follow the fellow who follows a dream

So I bundled my heart and I roam the world free  
To the east with a lark, to the west with the sea  
And I searched all the earth and I scanned all the skies  
And I found it at last in my own true love's eyes

Look, look, look to the rainbow  
Follow it over the hills and the streams  
Look, look, look to the rainbow  
Follow the fellow who follows a dream

Follow the fellow, follow the fellow  
Follow the fellow who follows a dream
