

Something Happened on the Way to Heaven

Deborah Cox

1.

We had a life we had a love
But you don't know what you've got til you lose it
Well that was then and this is now
And I want you back

How many times can I say I'm sorry - oh yes I'm sorry
How can something so good go so bad
How can something so right go so wrong
I don't know I don't have all the answers
But I want you back
How many times can I say I'm sorry - oh yes I'm sorry

ref.

You can run and you can hide
But I'm not leaving less you come with me
We've had our problems but I'm on your side
You're all I need please believe in me

You can run and you can hide
But I'm not leaving less you come with me
We've had our problems but I'm on your side
You're all I need please believe in me

2.

I only wanted you as someone to love
But something happened on the way to heaven
It got a hold of me and wouldn't let go
And I want you back
How many times can I say I'm sorry - yes I'm sorry

ref.

You can run and you can hide
But I'm not leaving less you come with me
We've had our problems but I'm on your side
You're all I need so please believe in me

You can run and you can hide
But I'm not leaving less you come with me
We've had our problems but I'm on your side
You're all I need please believe in me

3.

They say you can't take it with you when you go
And I believe it
But taking what I've got or being
Here with you
You know I'd rather leave it
Ooooh
Baby stay with me

ref.

You can run and you can hide
But I'm not leaving less you come with me
We've had our problems but I'm on your side
You're all I need please believe in me
