What A Difference A Day Made

Deborah Cox

What a difference a day makes, Twenty-four little hours, Brought the sun and the flowers, Where their used to be rain.

My yesterday was blue dear, Today I'm a part of you dear, My lonely nights are through dear, Since you said "you are mine".

Oh, what a difference a day makes, Theirs a rainbow before me, Sky's above can't be stormy, Since that moment of bliss, That thrilling kiss.

It's heaven when you, Find romance on the menu, What a difference a day, And the difference is you.

Oh, what a difference a day makes, Theirs a rainbow before me, Sky's above can't be stormy, Since that moment of bliss, That thrilling kiss.

It's heaven when you,
Find romance on the menu,
What a difference a day made,
And the difference is you.

The difference is you, oh.
