

Fallin'

December Avenue

Feels right but I am barely closer
As I wait in time I dream of us together
And I wonder where you are?
You're a million miles away

'Cause I need you now
You're the love that I have hoped for
And I need you now
You are everything I ask for

'Cause I am falling faster like a train of love
Coming right and getting close to you
And I am falling faster like the speed of light
Shining bright and chasing over you
Now I am closer into you

Like a movie scene I am watching all the time
Like a child I'm running forward into you
And I wonder if there's something I could do to make you mine

'Cause I need you now
You're the love that I have hoped for
And I need you now
You are everything I ask for

'Cause I am falling faster like a train of love
Coming right and getting close to you
And I am falling faster like the speed of light
Shining bright and chasing over you
Now I am closer into you

There is nothing I can ask for there is no one else but you
You are everything I hope for this ain't over
'Cause I am closer into you

'Cause I am falling faster like a train of love
Coming right and getting close to you
And I am falling faster like the speed of light
Shining bright and chasing over you
Now I am closer into you...
