

# I'm Cryin' For You

Declan Galbraith

I`ve been trying to say  
just how I feel  
I want your heart  
it`s so surreal.

You told me before  
it`s the beginning of the end.  
I tried to understand  
why you want to run away.

When alone  
I`m feeling sad and in such pain  
but forever  
I want you to stay.

I`m crying for you  
I`m dying for you  
I`m begging you please  
don`t ever leave.

I`m crying for you  
I`m dying for you  
I beg you to stay  
don`t run away.

Can`t wait another day  
to hear the words  
that you will say:

I need you

Tell me, it`s not pretend  
may be we can try  
once again.  
No more make believe  
try to understand  
how I feel  
So help me,  
I`m saying please

Hey, girl,  
don`t keep on lying  
to yourself  
It`s never over  
until the end

Yeah  
I`m crying for you  
I`m dying for you  
I`m begging you please  
don`t ever leave

I`m crying for you  
I`m dying for you  
I beg you to stay  
don`t run away.  
Yeah,

I`m crying for you  
I`m dying for you  
we`ll make it on time  
I`ll be fine

Yeah  
I`ll be fine  
We`ll make it on time

I love you
