

Leavin' Today

Declan Galbraith

I don't know the words that I have to say
Ma Mela je suis tres desole
Je pense que tu es attrayant
I'll come to you par avion

I do not want to lose you
Je tu voudrais ici
And I want you
ma bell petit ami

Oh no you're leavin' today
But it won't be the end
For us now it's only the beginning

I don't know in French what I have to say
Please teach me and help me to find a way
I thank you that you chose me
And you can stay with me
(And I want you) And I want you ma bell petit ami

Oh no you're leavin' today
But it won't be the end
For us now it's only the beginning

La la la oh la la
And I say La la la oh la la

Oh no you're leavin' today
But it won't be the end
For us now it's only the beginning

Oh no you're leavin' today
But it won't be the end
For us now it's only the beginning (It's only the
beginning)

I don't know in French what I have to say
