

Heaven

Declan J Donovan

(Heaven, Heaven, Heaven)
Never had a lover like you
(Heaven, Heaven, Heaven)
Never had a lover like you
(Heaven, Heaven, Heaven)
Nobody ever does it like you do
(Heaven, Heaven, Heaven)

Never had a lover like you
Nobody ever does it like you do
When I see summer skies blue
I escape to better days

Cold green grass by the road as we drive out
Of the city... for a minute gonna hide out
Some days I go back to that ghost town
Gotta say feels like a waste of time

I've never felt better
When lost in your presence
And I won't forget ya
My heaven heaven heaven

Never had a lover like you
Nobody ever does it like you do (Heaven, Heaven, Heaven)
When I see summer skies blue
I escape to better days (Heaven, Heaven, Heaven)
Never had a lover like you
Nobody ever does it like you do (Heaven, Heaven, Heaven)
When I see summer skies blue
Gotta say, feels like a waste of time (Heaven, Heaven, Heaven)

So passionate and young when I met you
Now drinking through the day just to get through
Guess I don't fit in my own shoes

I've never felt better
When lost in your presence
And I won't forget ya
My heaven heaven heaven

Never had a lover like you
Nobody ever does it like you do (Heaven, Heaven, Heaven)
When I see summer skies blue
I escape to better days (Heaven, Heaven, Heaven)
Never had a lover like you
Nobody ever does it like you do (Heaven, Heaven, Heaven)
When I see summer skies blue
Gotta say, feels like a waste of time (Heaven, Heaven, Heaven)

Finally feel it... Finally know
I can never be saved by you
We can never rewind it's true (Heaven, Heaven, Heaven)

Dying to see it
But it won't show
I don't wanna be weighed down by you (Heaven, Heaven, Heaven)

Never had a lover like you
Nobody ever does it like you do (Heaven, Heaven, Heaven)
When I see summer skies blue
I escape to better days (Heaven, Heaven, Heaven)
Never had a lover like you
Nobody ever does it like you do (Heaven, Heaven, Heaven)
When I see summer skies blue
Gotta say, feels like a waste of time (Heaven, Heaven, Heaven)
Gotta say, feels like a waste of time
