

Let You Down

Declan J Donovan

I've been living beyond my means
Running so I never have to sleep
Can you really hide from it all
When you're in the eye of the storm
Or will it all come crashing over me?

I wish I never let you down
What a waste
What a waste of love
A fire that I can't put out
Let it rain
Let it rain my love
There's a hurricane outside my door
Do I let it in or brave the storm
Oh Lord
Let it rain
Let it rain on me
I wish I never let you down

I wish I never let you down
I wish I never let you down
What a waste
What a waste of love
I wish I never let you down

Don't you take the blame, I need it
It's there to let me know I'm feeling
Just because I'm invisible
Doesn't mean I'm not miserable
I let it all go crashing over me

I wish I never let you down
What a waste
What a waste of love
A fire that I can't put out
Let it rain
Let it rain my love
There's a hurricane outside my door
Do I let it in or brave the storm
Oh Lord
Let it rain
Let it rain on me
I wish I never let you down

I wish I never let you down
I wish I never let you down
I wish I never let you down

I wish I never let you down
What a waste
What a waste of love
A fire that I can't put out
Let it rain
Let it rain my love
There's a hurricane outside my door
Do I let it in or brave the storm
Oh Lord

Let it rain
Let it rain on me
