

Pieces

Declan J Donovan

The way that it was
Brings me down to my knees
Tell me when it's alright
Tell me when it's alright
Going back to the start
This game that we play
Looking for a lifeline
I'm running out of free tries

You don't even know me, it's only a feeling
You gotta believe me
Darling, I'm just saying there ain't no shame in
Admitting you're lonely
You don't even know me, it's only a feeling
You gotta believe me
Darling, I'm just saying there ain't no shame in
Admitting you're lonely

'Cause I'm in pieces
I'm in pieces

I'm losing my words
Forgetting my lines
Knowing all the answers
No more second chances
I'm falling back in
Losing the time
Searching for a way home
But running down a wrong road

You don't even know me, it's only a feeling
You gotta believe me
Darling, I'm just saying there ain't no shame in
Admitting you're lonely
You don't even know me, it's only a feeling
You gotta believe me
Darling, I'm just saying there ain't no shame in
Admitting you're lonely

'Cause I'm in pieces
I'm in pieces

I know how this turns out, don't end well
But I'm keeping you around, I'm keeping you around

You don't even know me, it's only a feeling
You gotta believe me
Darling, I'm just saying there ain't no shame in
Admitting you're lonely
You don't even know me, it's only a feeling
You gotta believe me
Darling, I'm just saying there ain't no shame in
Admitting you're lonely

'Cause I'm in pieces
I'm in pieces
