

Vienna

Declan J Donovan

Guess I don't mind
Talking to you all night
We opened up our histories
Under street light
I held you for the first time
It was only five degrees

I took your number
As your friend came over
Telling you it's time to leave
As we parted
I knew something had started
You took a piece of me

Knew I was falling, falling, falling
We were perfect strangers for one night
Your eyes calling, calling, calling
I just gotta have you in my life

So now I'm on my way, yes, I'm on my way
To Vienna where I met ya
Yes, I'm on my way, yes, I'm on my way
To Vienna
I'll chase you 'til the end of the world, of the world
You're the perfect stranger in my life
But it hurts, yes, it hurts
So I just gotta have you in my life

Guess I don't mind
Catching up on FaceTime
But it's so cold each time you freeze
It's the last time
I'm talking to you online
Need actual reality

'Cause I'm falling, falling, falling
We were perfect strangers for one night
Your eyes calling, calling, calling
I just gotta have you in my life

So now I'm on my way, yes, I'm on my way
To Vienna where I met ya
Yes, I'm on my way, yes, I'm on my way
To Vienna
I'll chase you 'til the end of the world, of the world
You're the perfect stranger in my life
But it hurts, yes, it hurts
So I just gotta have you in my life

Now I'm coming, now I'm coming
I got no more secrets darling
Now I'm coming, now I'm coming
I got no more secrets darling
Now I'm coming, now I'm coming
I got no more secrets

So now I'm on my way, yes, I'm on my way

To Vienna where I met ya
Yes, I'm on my way, yes, I'm on my way
To Vienna
I'll chase you 'til the end of the world, of the world
You're the perfect stranger in my life
But it hurts, yes, it hurts
So I just gotta have you in my life

So now I'm on my way, yes, I'm on my way
To Vienna where I met ya
