Don't it feel so much better  
When you see how much you've grown  
Why are you writing a letter?  
Why are you taking it on your own?  
Why are you taking it  
Why are you making it so hard?  
So hard  
So hard  
So hard

Why'd you think you're so special?  
Why'd you not think about what you said?  
Wired comp of precious  
Why'd you act like you didn't today?  
You were born faking it and  
What makes you making it so hard?  
So hard  
So hard  
So hard
