

# Hallucinate

Declan McKenna

Pocketful of honey and I'm ready to go  
No, I ain't got no money, but I'm letting you know  
I'm gonna love you like a fool  
And breathe you in till I hallucinate

Body make you silly, make you do what I want  
Oh baby, I can make it pretty, I can string you along  
But I'm gonna love you like a fool  
And breathe you in till I hallucinate

No, I couldn't live without your touch  
No, I could never have too much  
I'll breathe you in forever and ever  
Hallucinate

I hallucinate when you call my name  
Got stars in my eyes  
And they won't change when you come my way  
I'm losing my mi-mi-mi-mind, mi-mi-mi-mind  
I'm losing my mind  
I hallucinate when you call my name

Put you in my hall of fame, middle of the wall  
Yeah, you're my one, my favourite, my ride or die  
Oh, I'm gonna love you like a fool  
And breathe you in till I hallucinate

'Cause I couldn't live without your touch  
I could never have too much  
I'll breathe you in forever and ever  
Hallucinate

I hallucinate when you call my name  
Got stars in my eyes  
And they won't change when you come my way  
I'm losing my mi-mi-mi-mind, mi-mi-mi-mind  
I'm, I'm losing my mind  
I hallucinate when you call my name

Oh, I wanna be right where you are  
Let's go dancing in the dark  
Don't wait, you can push to start, lose control  
Kill me softly with your kiss  
Wrap me 'round your fingertips  
Damn, I need another hit  
You make me lose my mind

When you call my name  
Got stars in my eyes  
And they don't change when you come my way  
I'm losing my mi-mi-mi-mind, mi-mi-mi-mind  
I'm, I'm losing my mind  
I hallucinate when you call my name
