

Humongous

Declan McKenna

Don't tag me along to your show, to your broadcast
I know, I'm good at letting go
Don't tag me along with your rules, with your promise
I swear you spend too much time on your phone and on your hair
Do you care?

I'm big, humongous, enormous and small
And it's not fair that I am nothing and nobody's there
Do you care?
I'm big, humongous, enormous and small
And it's not fair that I am nothing and nobody's there
Do you care?

Don't tell me I'm not, I'm not smart or I'm not worthy
I know, I couldn't let that go
And don't tag me along
With your hate and with your envy
I swear, to god I cannot take you anywhere
Do you care?

I'm big, humongous, enormous and small
And it's not fair that I am nothing and nobody's there
Do you care?
I'm big, humongous, enormous and small
And it's not fair that I am nothing and nobody's there
Do you care?

I'm big, humongous, enormous and small
And it's not fair that I am nothing and nobody's there
Do you care?
I'm big, humongous, enormous and small
And it's not fair that I am nothing and nobody's there
Do you care?

Don't speak, don't be so broken and weak
I'm gonna throw up
Well baby, when will you grow up?
You've been such a joke this week
You think you're funny
When you're talking all loud and your nose is all runny
