

# Make Me Your Queen

Declan McKenna

I know that I mean nothing to you babe  
I've tried my best to keep these thoughts away  
Oh, I've tried to speak but there's nothing left to say  
'Cause I mean nothing to you babe

I know that I mean nothing to you dear  
If ever I stop by, you'll never heal  
And it don't mean shits, I know you've made that clear  
'Cause I mean nothing to you dear

So make me your queen  
So make me your queen  
Ahh

I know that I mean nothing to you babe  
I'm in your grip from which I can't escape  
And I can't help but think that I might  
Maybe not mean nothing to you babe  
Oh babe

So make me your queen  
So make me your queen

Oh, so too much to take  
I'm awake, I'm awake  
I feel false and I feel fake  
And I'm awake, I'm awake  
It ain't hard to get sick of my shit  
I'm asymmetrical  
Get over it for goodness sake  
I'm awake, I'm awake

So make me your queen  
So make me your queen  
So make me your queen  
So make me your queen

It's all too much to take  
I'm awake, I'm awake
