

Sympathy

Declan McKenna

Sympathy, won't you come around?
I don't need the commotion
Usually, though I'm up and down
You just need rollercoasters

Good-goodness me, all you talk about
Is how you'll beat all the others
Sympathy won't come around
So make peace and discover

Why you make it up?
Party on and tear it down
Don't you wanna get it on?
Everybody believes you now

I can see what you're all about
You don't need to be clever
If you don't speak your thoughts aloud
You just feel them forever

Good-goodness me, all you talk about
Is how you'll beat one another
Sympathy is gonna come around
So make peace and discover

Why you gotta make it up?
Party on and tear it down, down
Don't you wanna get it on?
Everybody believes you now

You don't need to be clever
You don't need to be clever
You don't need to be clever

(Sympathy's gonna come around)
(You don't need to be clever)
(Sympathy's gonna come around)
(You don't need to be clever)
(You don't need to be clever)
(You don't need to be clever)
