

## The Phantom Buzz (Kick In)

Declan McKenna

Can I find joy in such a sorry thing?  
Pacing the levels of a trapped-in rats den  
And it's time to begin

And when it kicks in  
Ooh, it kicks everythin'  
Keeps the walls caved in  
Until we do it again  
Hoo!

I got the phantom buzz  
I suck it in, out, ah  
I can't get enough  
I'm fucked up  
I'm fallin'

When it kicks in  
Ooh, it kicks everythin'  
Blood don't half run thin  
Through a poisoned brain  
When she gives in  
Oh, she gives everythin'  
And turns the page I'm in  
Until we do it again

Again, again, again, again  
I ain't no use talking  
Until we do it again  
Hoo!
