

# Cycles

Decyfer Down

Wake up, plug in, and the cycle now begins  
Controlling who we are  
Such a viscous way to live  
Pictures are perfect when angle is the game  
You give them what they want  
When you filter out the pain

Are we all not meant for something more  
Than the lie we've all been living for

Such a beautiful life  
It's up to you to decide  
Everyone plays their part in time  
Searching for their path to freedom  
Such a beautiful life  
To lose a piece at a time

Now that you've painted this perfect imagery  
Is it really who you are  
And think they want to see  
Beauty runs deeper than the lie that you believe  
So can you purpose what you've done  
Can you give them what they need

Are we all not meant for something more  
Than the lie we've all been living for

Such a beautiful life  
It's up to you to decide  
Everyone plays their part in time  
Searching for their path to freedom  
Such a beautiful life  
To lose a piece at a time  
Every time you sell your soul to shine  
You take a step back from freedom  
Such a beautiful life  
It's up to you to decide

It's up to you to decide!  
Break the cycle now!  
It's up to you to decide!  
Break the cycle now!

Such a beautiful life  
It's up to you to decide  
Such a beautiful life  
It's up to you to decide  
Such a beautiful life  
To lose a piece at a time  
Such a beautiful life  
It's up to you to decide

It's up to you to decide!  
Break the cycle now!  
It's up to you to decide!  
Break the cycle now!
