

# Anti-Everything

Ded

Drop dead  
Drop dead

Fuck this, what do you want from me?  
Run your monopoly  
I am the opposite God forbid I could be  
Living antithesis  
Revel in this resist  
Maybe you get the gist venomous  
Standing in line is the way that you go  
I will survive on the path that I chose  
Sever the ties from the blind and all those  
Ignorant bastards I am in control

You won't take me alive  
I'd rather die than live in this prison  
I am anti-everything  
Done being kind  
I draw the line  
No I will not give in  
I am anti-everything  
Anti-everything  
Anti-everything  
Anti-everything  
Anti-everything

Slit wrists, cover the world with it  
I am a pessimist  
I am obsessed with it blessed with it  
Leave a mark  
Show me a battle scar  
Ripping the rules apart  
I am a war  
Give me a stone and I'll cast the first blow  
Cover me up in the truth that I know  
Doing it now when you said that I won't  
Hungry and harder and all on my own

You won't take me alive  
I'd rather die than live in this prison  
I am anti-everything  
Done being kind  
I draw the line  
No I will not give in  
I am anti-everything  
Anti-everything  
Anti-everything  
Anti-everything  
Anti-everything

You'll never get the best of me  
I'm anti-everything  
You'll never get the best of me  
I'm anti-everything

You won't take me alive  
I'd rather die than live in this prison

I am anti-everything  
Done being kind  
I draw the line  
No I will not give in  
I am anti-everything  
You won't take me alive  
I'd rather die than live in this prison  
I am anti-everything  
Done being kind  
I draw the line  
No I will not give in  
I am anti-everything  
Anti-everything  
Anti-everything  
Anti-everything  
Anti-everything  
Anti-everything
