Beautiful

Ded

I am a loss
I'm made of scum
Abandoned and godless
Just being honest
I hide and stare
I'm so aware
That you make me worthless
Sickening perfect

I hate you cuz you're beautiful
I read em' and weep like I always do
I hate you cuz you're beautiful
If just once I could see you in ruins too

Dripping in spit
Hide me away
No one should see me
Pointless believe me
Nothing to give
Bottomless shit
Exist in your shadow
Life in gallows

I hate you cuz you're beautiful
I read em' and weep like I always do
I hate you cuz you're beautiful
If just once I could see you in ruins too

You will never know all the pain that drives me
You will never know the pain

I hate you cuz you're beautiful
I read em' and weep like I always do
I hate you cuz you're beautiful
If just once I could see you in ruins too

I am a loss
I'm made of scum
Abandoned and godless
Just being honest
I hate you cuz you're beautiful
I hate you cuz you're beautiful
I hate you cuz you're beautiful
I hate you cuz you're beautiful
