When I'm nothing but dead inside  
When I'm nothing but dead inside

I can't feel a thing!

I don't feel a fucking thing  
Satisfaction or pain  
Metaphorical tidal washes everything  
I just wanna be the same  
Shut off my fucking brain  
It's like an open vein pouring over everything  
I'm not complaining I don't need help I don't need pity  
I just don't have the luxury of denial in me  
You're not my friend so take a walk  
If you don't like it then kick some rocks and turn me off

I'm dead inside  
I'm dead inside  
I'm dead inside  
I can't feel a thing

When I'm nothing but dead inside  
And that's all that's left to see  
Cuz I felt the fire die in a lifetime woe is me

Staring in the dark I sit  
Swimming through my regrets  
And I don't know if I'll ever get to the future shit  
It's easier to take a pill  
It only helps me still  
They'll never cure me now  
And never have and never will  
I think I've had it over dramatic and overkill  
Callously eating me while I sit here fucking still  
It's 5 am I see the end  
I'll go to sleep if I need to and do it all again

I'm dead inside  
I'm dead inside  
I'm dead inside  
I can't feel a thing

When I'm nothing but dead inside  
And that's all that's left to see  
Cuz I felt the fire die in a lifetime woe is me  
Dead inside  
When I'm nothing but dead inside  
You can send me into the sea  
Cuz heaven is hard to find in a lifetime woe is me

Wait start again  
This isn't my life it's not who I've been  
Wait not again  
Tell me I'm dreaming I'm innocent

When I'm nothing but dead inside  
And that's all that's left to see

Cuz I felt the fire die in a lifetime woe is me  
Dead inside  
When I'm nothing but dead inside  
You can send me into the sea  
Cuz heaven is hard to find in a lifetime woe is me  
  
Dead inside...
