

## Afro Blue

Dee Dee Bridgewater

Dream of a land my soul is from  
I hear a hand beat on a drum  
Shades of delight, cocoa hue  
Rich as the night afro blue

Elegant boy, beautiful girl  
Dancing for joy delicate whirl  
Shades of delight, cocoa hue  
Rich as the night afro blue

Two young lovers face to face  
With undulating grace  
They gently sway, then slip away  
To some secluded place  
Shades of delight, cocoa hue  
Rich as the night afro blue

~~~♪♪♪ ~~~

Lovers in flight upward they glide  
Burst at the height gently subside  
Shades of delight, cocoa hue  
Rich as the night afro blue

Whispering trees, echo their sighs  
Passionate pleas, tender replies  
Shades of delight, cocoa hue  
Rich as the night afro blue

And my slumbering fantasy  
assumes reality  
Until it seems it's not a dream  
the two are you and me  
Shades of delight, cocoa hue  
Rich as the night afro blue
