

Don't Explain

Dee Dee Bridgewater

Hush now, don't explain
Just say you'll remain
Unless you're mad, don't explain

quite, don't explain
What is there to gain
Skip that lipstick
Don't explain

You know that I love you
And what loving does
All my thoughts are of you
For I'm completely yours

Try to hear folks chatter
cause I know you cheat
Right or wrong, don't matter
When you're with me, sweet

Hush now, don't explain
You're my joy and my pain
My life 'is your love
Don't explain

You know that I love you
And what loving does
All my thoughts are of you
For I'm completely yours

Try to hear folks chatter
cause I know you cheat
Right or wrong, don't matter

When you're with me, sweet

Hush now, don't explain

You're my joy, you're my pain

My life's your love

Don't explain
