

Good Morning Heartache

Dee Dee Bridgewater

Good morning heartache

You are a gloomy sight

Morning heartache

Thought we said goodbye last night

I tossed and turned until it seemed you had gone

But here you are with the dawn

I wish I'd forget you

You're here to stay

It seems I met you

When my love went away

Now every day I start by saying to you

"Morning heartache, what's new?"

Stop haunting me now

Can't shake you, no how

Just leave me alone

I've got those Monday blues

Straight through Sunday blues

Good morning heartache

Here we go again

Good morning heartache

You're the one who knew me well

Might as well get used to you hangin' around

Morning heartache, sit down

Stop haunting me now

Can't shake you, no how

Just leave me alone

I've got those Monday blues

Straight through Sunday blues

Morning heartache

Here we go again

Good morning heartache

You're the one who knew me well

Might as well get used to you hangin' around

Good morning heartache, sit down
