

When Love Comes Knockin'

Dee Dee Bridgewater

If I had a million dollars
I'd fly out into space
Tryng to find a way to mend this broken heart.
If I had a sack of diamonds
I'd buy myself a place
On an island that no maps don't even chart.

I've gotta shake this thing called love,
Cause I guess I've had enough.
I'm gonna disappear---
Gonna hide somewhere,
Gonna give the whole thing up...

When love comes knocking at your door
You must be very sure that you're ready, ready.
When love comes knocking at your door
You must be very sure that you're ready...

If I had a magic carpet
I would take it to the moon
Looking forward a way to spend my life alone.
If I had an ocean liner
I'd find a blue lagoon
in a country that's a thousand miles from home.

Gotta shake this thing called love,
Cause I guess I've had enough.
I'm gonna disappear---
Gonna hide somewhere...
Gonna give the whole thing up...

When love comes knocking at your door
You must be very sure that you're ready, ready.
When love comes knocking at your door
You must be very sure that you're ready...

Music interlude

When love comes knocking at your door
You must be very sure that you're ready, ready
When love comes knocking at your door
You must be very sure that you're ready.
When love comes knocking at your door
You must be very sure... etc.
