

# You've Changed

Dee Dee Bridgewater

You've changed

That sparkle in your eyes is gone

Your smile is just a careless yawn

You're breaking my heart

You've changed

You've changed

Your kisses now are so blase

You're bored with me in every way

I can't understand

You've changed

You've forgotten the words, "I love you"

Each memory that we've shared

You ignore every star above you

It hurt'to realise you've cared

You've changed

You're not the angel I once knew

No need to tell me that we're through

It's all over now

You've changed

You've changed

You've changed

You've forgotten the words, "I love you"

Each memory that we've shared

You ignore every star above you

It hurt'to realise you've cared

You've changed

You're not the angel I once knew

No need to tell me that we're through

It's all over now

You've changed

You've changed
