

I Gotta Rock (again)

Dee Snider

It's that time again
Did you think that it would end?
Wild and freewheeling
So damn appealing
I can't stop
It's not something that I choose
Just what I gotta do
While my mind is still screaming
I can't stop
Be a lifer til I'm done
Gonna ride it til I'm gone
For as long as I'm breathing!

Won't stop
Til I drop
Better strap in
I'm comin' in hot

Here I go
It's time to roll again
I gotta rock
I survived
Be advised
Gonna rock until I die

Here I go
It's time to roll again
I gotta rock
This is life
I'm gonna rock
Until the day that I die

There's no better feeling
Like there's nothing you can't do
It's a heavy metal healing
With your questions answered and your dreams come true

Won't stop
Til I drop
Better strap in
I'm comin' in hot

Here I go
It's time to roll again
I gotta rock
I survived
Be advised
Gonna rock until I die

Here I go
It's time to roll again
I gotta rock
This is life
I'm gonna rock
Until the day that I die

I gotta rock!

Let's fucking go, it's time to rock again
Time!
When you're a lifer you're rocking til the end
To!
Always screaming my life is on the stage
Rock!
You will never ever feel the same
Until we rock again

Here I go
It's time to roll again
I gotta rock
I survived
Be advised
Gonna rock until I die

Here I go
It's time to roll again
I gotta rock
This is life
I'm gonna rock
I gotta rock!
I'm gonna rock
I gotta rock!
I'm gonna rock
I gotta rock!
Yes, I wanna rock
Until the day that I die
