

# In for the Kill

Dee Snider

I'm tired of waiting, sick of holding back  
Been ready for this day  
It's not a reckoning and it's not an attack  
I've got to have my say  
Put my soul on the line, it's my life to give  
And I'll decide what happens to me  
Not asking for a handout, I just want to live  
I've made my own way and that's how it should be  
If you're not gonna help, get out of my way

In for the kill  
In for the kill  
Won't give in till I have my fill  
In for the kill  
In for the kill  
Not holding back, gonna fire at will  
I finished the climb, now I'll give all I've got  
I'm making my move so willing or not  
Out of my cell  
Free from this hell  
Been waiting too long  
I'm in for the kill

I'm not complaining, you won't see me beg  
You'll get no tears from me  
I'm a one man army, I've got my own back  
My surrender you'll never see  
There's no way that I'll ever break  
I'll never stop, there's just too much at stake

In for the kill  
In for the kill  
Won't give in till I have my fill  
In for the kill  
In for the kill  
Not holding back, gonna fire at will  
I finished the climb, now I'll give all I've got  
I'm making my move so willing or not  
Out of my cell  
Free from this hell  
Been waiting too long  
I'm in for the kill

My time has finally arrived  
No one can stop me!

In for the kill  
In for the kill  
In for the kill  
In for the kill  
Free from this hell  
In for the kill  
In for the kill  
Won't give in till I had my fill  
I finished the climb, now I'll give all I've got  
I'm making my move so willing or not  
Out of my cell

Free from this hell  
I'm done with waiting

In for the kill  
In for the kill  
Won't give in till I had my fill  
In for the kill  
In for the kill  
Not holding back, gonna fire at will  
I finished the climb, now I'll give all I've got  
I'm making my move so willing or not  
I'm out of my cell  
Free from this hell  
I'm in for the kill
