

Over Again

Dee Snider

Whoa! Whoa! Whoa! Oh no!

So easy to fall back in your bed[?]
You please me like a bullet to the head
Gasping for one last breath of air
I'm asking but you don't fucking care!

We're over and over and over again!
Is this love ever gonna end?
I never meant to make the same mistake
But old habits are hard to break
We're over and over and over again!
We can't be lovers and we can't be friends
How many times can a bone break?
'Cause we're over and over again and again and again!
And again!

Pushing, pushing me away
Pulling, pulling me to stay

We're over and over and over again!
Is this pain ever gonna end?
I never meant to make the same mistake
But old habits are hard to break
We're over and over and over again!
We can't be lovers and we can't be friends
Thought it was real but it's so damn fake
'Cause we're over and over again and again and again!
And again!
And again!
And again!

Easy, here we go back in

We're over and over and over again!
I swear this drama's gonna do me in
I never meant to make the same mistake
But old habits are hard to break
We're over and over and over again!
I'm finally ready for this shit to end
But you know old lovers are hard to break
'Cause we're over and over again and again and again!
And again!
And again!
And again, and again, and again!
It's the end!
