

# Walk All Over You

Dee Snider

Out of my way, I'm running high  
Take a chance with me and I'll give it a try  
Ain't no woman in the world I know  
Cause I ain't looking for a woman flow

Ow baby, I ain't got much  
Ooh, resistance to your touch  
Take off your high heels, let down your hair  
Ooh, paradise ain't far from there

I want to walk all over you  
I want to walk all over you  
Do anything you want me to  
I want to walk all over you, ow

Reflections on the bedroom wall  
And there you thought you'd seen it all  
You're rising, falling like the sea  
You're looking so good under me

I want to walk all over you  
I'm gonna walk all over you  
Do anything you want me to, yeah  
I'm gonna walk all over you, ow

Ooh, roaming, roaming, let's tear it out  
So gimme the stage, I'm gonna steal the show  
Leave off the lace and turn out the lights  
Tonight is gonna be the night

I'm gonna walk all over you  
I'm gonna walk all over you  
Do anything you want me to, yeah  
I'm gonna walk all over you, ow  
I'm gonna walk all over you
