

## Whatever Lola Wants (Lola Gets)

Dee Snider

Whatever Lola wants, Lola gets  
And little man, little Lola wants you  
Make up your mind to have no regrets  
Recline yourself, resign yourself, you're through

She always gets what she aims for  
And your heart and soul is what she came for

Whatever Lola wants, Lola gets  
No use to fight, don't you know you can't win?  
You'll never win  
You're no exception to the rule  
She's irresistible, you fool  
Give in  
Give in  
Give in

I always get what I aim for  
And you heart and soul is what I came for

Whatever Lola wants, Lola gets  
(You know that she gets)  
And little man, little Lola wants you  
(She'll steal your soul away)  
You're no exception to the rule  
I'm irresistible, you fool  
Give in  
Don't give in  
Give in  
Don't give in
