

## Canvas Of Flesh

## Deeds of Flesh

Anticipating the moment  
When this horrid torture will end  
My body becomes more and more deformed  
Lying there screaming  
So deformed  
So deformed  
More and more deformed  
So deformed

Something is tearing at  
My intestines  
Knife still deep in my cavity

How can this be  
I am still alive  
How can this be  
I am still alive  
He is torturing me

Anticipating the moment  
When this horrid torture will end  
My body becomes more and more deformed  
Lying there screaming  
So deformed  
So deformed  
More and more deformed  
So deformed

I am still alive  
I am still alive  
Murder me

I am still being torture rabidly  
Let me die  
Carnivorous beast  
Devouring me  
Awaiting blackness  
To overcome
