

# Riding On Through

Deee-Lite

Riding on through, riding on through, riding on through  
Riding on through, riding on through, riding on through  
Riding on through, riding on through, riding on through

Sometimes it seems there's nothing I can't do  
I'm just riding on through  
I'm not asking for you to tell me your dream  
Just a little peace in this world, that's a logical thing

Riding on through, riding on through, riding on through  
Riding on through, riding on through, riding on through

Sometimes it seems there's nothing I can't do  
I'm still riding on through  
I'm not asking for you to tell me your dream  
Just a little peace in this world, that's a logical thing

Hey, hey, hey, hey  
Hey, hey, hey, hey
