Deee-Lite

Rubber lover Say rubber Rubber lover Don't go to bed mad at your lover You'll wind up pulling the covers from each other Don't make love without wearing a rubber They might have slept with another Rubber lover Rubber lover Just have a good time Just have a good time Don't be rushin' when you're pushin' for your lovin' Take your time when you do the natural thing So divine to feel the passion in this fashion Put your brain before your ding-a-ling Just have a good time Just have a good time
