

Beauty in Your Eyes

Deep Forest

Is it real
Is it right
What I see now in your eyes
Will you smile
Will you cry

Teardrops in your eyes.
Are you strong
Are you weak
Can you give me what I seek
Give me laughter
Make me cry

Teardrops in your eyes.
Are you strong
Are you weak
Can you give me what I seek
Give me laughter
Make me cry

Teardrops in your eyes.

Mal sahibi, mülk sahibi
Hani bunun ilk sahibi?

This is real
This is right
To every beholder beauty lies
See it shining deep inside
Beauty in your eyes
