Deep Insight

I thought that finally I found something,
that would complete my broken soul
and could replenish my empty heart.
But I was wrong.
MY love is worthless
if you don't feel like I do.

All the wasted emotions have made me stronger.
All the wasted emotions.

The moment that we had,
I thought that it was something special
-would it last forever?
I was wrong.
My love is worthless
if you don't feel like I do.

All the wasted emotions have made me stronger.
All the wasted emotions.

But still I hope that someday,
someday you would say to me,
that you still love me.

All the wasted emotions have made me stronger.
All the wasted emotions.

All the wasted emotions have made me stronger.
All the wasted emotions.

But still I hope that someday,
you would say to me,
that you still love me

But still I hope that someday,
someday you would say to me,
that you still love me.
