

Superficial

Deep Insight

What's the point of denomination?
Why believe in something unseen?
You think the truth is religion,
but to you it's some kind of addiction.

Fading view,
transparent and new.
You made me say the truth about you.
Mark my words,
you will get burned.
If you don't know the Holy One.

Why is your joy so unreal?
You hide your self behind a masquerade.
Take off the mask
the show is over.
ONLY DEAD FISH
GO WITH THE FLOW!

Fading view,
transparent and new.
You made me say the truth about you.
Mark my words,
you will get burned.
If you don't know the Holy One.

Fading view,
transparent and new.
You made me say the truth about you.
Mark my words,
you will get burned.
If you don't know the Holy One.

It's just so superficial.
Like a spark with no flame.
your soul's shaken to the core.
let your heart be filled with fire.
Fire..
Fire...
FIRE!
