

Anthem

Deep Purple

Ami **D** **E** **Ami** **C**
1. When the night wind softly blows through my open window
F **Dmi** **E** **Ami** **C** **F** **Dmi** **E**
Then I start to remember the girl that brought me joy
Ami **D** **E** **Ami** **C**
Now the night wind softly blows sadness to tomorrow
F **Dmi** **E** **Ami** **C**
Bringing tears to eyes so tired
F **Dmi** **E**
Eyes I thought could cry no more

A **E** **A**
B: If the day would only come
E **D** **A** **Hmi**
Then you might just appear even though you'd soon be gone
G **D**
When I reached out my hand

A **E D**
R: If I could see you
E **A** **E D**
If only I could see you
A **D** **C# F#mi**
To see if you are laughing or crying
A **D A Hmi E** **A**
When the night winds softly blow

2. In my dark and whispering room
Memories still bring me a numbness to my feelings
Take my hand and brush me by
In the warm and fevered dark
Heart is madly beating
My crazy thoughts are burning
When the night winds softly blow
