The sky is red, I don't understand; \mathbf{F}/\mathbf{G}

past midnight I still see the land.

People are sayin' the woman is damned,

Gmi

she makes you burn with a wave of her hand. The city's ablaze, the town's on fire;

F/G

the woman's flames are reachin' higher.

We were fools, we called her "liar";

B F C Gmi Es C Gmi All I hear is "Burn!"

I didn't believe she was devil's sperm; she said, "Curse you all, you'll never learn! When I leave there's no return!"

The people laughed till she said, "Burn!"

Warning came, no one cared; earth was shakin', we stood and stared.

When it came no one was spared;

Still I hear "Burn!"

You know we had no time,

Ami B

we could not even try,
