

## Caught in the Act

Deep Purple

Down, down, down, down  
Down, down, down, down  
Down, down, down, down

Well my temperature is rising  
And my feet on on the floor  
Crazy people knocking  
Cause I wanna sell some more

Let me in baby, cause I don't know what you got  
But you better take it easy cause this place is so hot  
And I'm  
So glad we made it  
So glad we made it

I want you to  
Gimme some lovin  
Gimme some lovin  
Gimme some lovin everyday

Well I feel so good everything is getting hot  
You better take some time cause this place is on fire  
You better start baby, cause I have too much to do  
We made it baby and it happened to you

And I'm  
So glad we made it  
So glad we made it

I want you to  
Gimme some lovin everyday  
Gimme some lovin everyday  
Gimme some lovin every night
