Deep Purple

Emmaretta  
Did you get my letter  
I sent it to you  
Oh, Emmaretta

Do you still feel  
When night is falling  
Something's calling  
Oh, Emmaretta

Behind my thoughts  
Oh, Emmaretta  
I can get to you  
To feel better

I must go now  
Oh, Emmaretta  
Full moon's rising  
Oh, Emmaretta

Oh, it's a thousand miles  
Oh, and I need you, child  
Oh, they can drive me wild  
What I feel and make it real

Oh, it's a thousand miles  
Oh, and I need you, child  
Oh, they can drive me wild  
What I feel and make it real

Emmaretta  
Did you get my letter  
I sent it to you  
Oh, Emmaretta

Do you still feel  
When night is falling  
Something's calling  
Oh, Emmaretta.
