

## First Sign Of Madness

Deep Purple

Somebody tell me  
Why I'm talking to myself  
I never listen to a word I say  
Nor does anyone else  
Somebody ask me  
If I have any doubt  
Maybe yes, maybe no  
It's something to think about

The first sign of madness  
Is talking to yourself  
When I'm deep in conversation  
Boy it sure is hard to tell  
You're gonna have to put me down  
You don't know where I've been  
You can't imagine in your wildest dreams  
The kind of shit we're in

Rambling on again  
No-one's listening  
On and on again  
Don't believe a single word
