

# Haunted

Deep Purple

**D** **F#mi** **Ami** **G/B** **F** **Ami** **G**

I hear the beating of your wings  
As if you're playing on my strings

**D** **F#mi**

In mysterious ways you draw me in  
To a love beyond all understanding

**C**

Beyond my reach

**Ami**

So far away

**Emi**

But it seems

**G**

Like only yesterday

**C**

I'm Haunted

**G** **Ami**

**Haunted**

**F**

Is that what you wanted

**Ami** **G**

All that's left

**F**

**C**

Is the ghost of your smile

**G**

It stays awhile then fades away

**D**

**F#mi**

I hear your footsteps on the ground

**Hmi** **G**

Tempting me to turn around

**D**

**F#mi**

It's just the echo of a disenchanted lover

**Hmi** **G**

Shuffling aimlessly homeward bound

**C**

**Ami**

To empty rooms and picture frames

**Emi**

**G**

And Friends who can't recall our names
