Help!

Deep Purple

When I was younger, so much younger than today I never needed anybody's help in any way But now these days are gone I'm not so self assured Now I find I've changed my mind, opened up the door

Help if you can I'm feeling down But I do appreciate you being round Help me get my feet back on the ground Won't you please help me

And now my life has changed in oh so many ways My independence seems to vanish in the haze But every now and then I feel so insecure Now I know I need you like I've never done before

Help if you can I'm feeling down But I do appreciate you being round Help me get my feet back on the ground Won't you please help me

Help I need somebody Help Not just anybody Help You know I need someone Help
