

# Let the Good Times Roll

Deep Purple

Hey, everybody, let's have some fun  
You only live but once  
And when you're dead you're done, so  
Let the good time roll, I said let the good time roll  
I don't care if you're young or old  
Get together, let the good time roll

Don't sit there mumblin', talkin' trash  
If you wanna have a ball  
Get out and spend some cash, and  
Let the good time roll, I'm talking about the good time  
It make no difference if you're young or old  
Let the good time roll

Oh yeah

Why don't tell everybody  
Rocket's back in town  
I got a dollar and a ring in the clock  
Don't let nobody play me cheap  
I got fifty cents more than I'm ever gonna keep, so

Let the good time roll, let the good time roll  
Make no difference if you're young or old  
Let the good time roll

No matter whether rainy weather  
You wanna have a ball you gotta get yourself together  
Let the good time roll
