Fly into the rising sun,
G **F/G**
faces smiling ev'ryone.
G **F/G**
Oh, she is a whole new tradition,
G **F/G**
I feel it in my heart.

E **E** **E** **E**
My woman from Tokyo, she makes me see.
E **E** **E** **E**
My woman from Tokyo, she's so good to me.

Talk about her like a queen,
dancing in an eastern dream.
Oh, she makes me feel like a river
that carries me away.

My woman from Tokyo, she makes me see.
My woman from Tokyo, she's so good to me..

But I'm at home and I, I just don't belong.
G **G** **G** **F** **F**
So far away from the garden we love,
G **G** **G** **F** **F** **G** **G** **G** **F** **F**
he is what moves in the soul of a dove.
G **G** **G** **F** **F**
Soon I shall see just how black was the night,
G **G** **G** **F** **F** **G** **G** **C** **C7** **C7** **C7**
when we're alone in the city of light.
