

# You Keep on Moving

Deep Purple

**C B C B C C B C**

You keep on moving

**C B C As F**

Far away far away

**C B C B C C B C**

You keep on moving

**C B C As F**

Far away far away

**C B C C B C C B C**

Everyday wheels are turning

**As F C B C**

And the cry still returning

**E**

Dawn will soon be breaking

**Dmi**

The day has just begun

**E**

You put your arms around me

**Dmi**

Like a circle 'round the sun

**E**

Dance across the seasons

**Dmi**

To a place that no one knows

**C B**

Where angels fear to tread
