

# Feels So Good

Deepside Deejays

Feelin' good  
I can't sit down nobody's feeling blue  
I'm feelin' good  
I'm looking down there is no ground

Feelin' good  
I can't sit down nobody's feeling blue  
I'm feelin' good  
I'm looking down there is no ground  
It's so good don't pull me down!

It's the time of your lifetime  
It's the time of your lifetime  
It's the time of your lifetime  
It's the best time of your lifetime

Today nobody's feeling low  
It's no way for you to be alone  
Tonight we mustn't take it slow  
Cause we have a night to fill a lifetime

Time has come for you to go  
Loose yourself and all you know  
Time has come for you to go  
Live your life and don't get low

Time has come for you to go  
Loose yourself and all you know  
Time has come for you to go  
Cause we'll have a night to fill a lifetime

Feelin' good  
I can't sit down nobody's feeling blue  
I'm feelin' good  
I'm looking down there is no ground

Feelin' good  
I can't sit down nobody's feeling blue  
I'm feelin' good  
I'm looking down there is no ground  
It's so good don't pull me down!

It's the time of your lifetime  
It's the time of your lifetime  
It's the time of your lifetime  
It's the best time of your lifetime

It's the time of your lifetime  
It's the time of your lifetime  
It's the time of your lifetime  
It's the best time of your lifetime
