Mr. Cigarette

Deer Tick

He's the starving man's supper
He's the tired man's rest
He's the selfish man's possession
The hopeless man's best bet
He's the quiet man's conversation
He's the cold man's blanket
He's the lonely man's companion
Mr. Cigarette

He's the lost man's road map
He's the driving man's jet
He's the poor man's t.v. set
He's the frightened man's courage
The beaten man's comeback
He's the lonely man's companion
Mr. Cigarette

Tar Nicotine, Tar Nicotine
Cancer, I die! Ho, ho ho!
Tar Nicotine, Tar Nicotine
Cancer of the Soul

He's the bleeding man's bandage
He's the angry man's regret
He's the fallen man's redemption
The slighted man's revenge
He's the inmate's currency
He's the dying man's last request
He's the loveless man's good-night kiss
Mwah!
Mr. Cigarette
