

Rejection

Deer Tick

If I send a dream down the pipe, where's it go
Down to a pile at the bottom of a hole
I will give you my hand, I will give you control
You can try to buy back what you've already sold

I don't wanna feel like a reject today
I don't wanna live like that
Burn another page from that playbook baby
I don't wanna live like that

If I send a dream down the pipe, where's it go
Down to the fire and it turns into smoke
I will give you the keys to a happier home
There'll be no one around to tell you just what you owe

I don't wanna feel like a reject today
I don't wanna live like that
Burn another page from that playbook baby
I don't wanna live like that

I don't wanna feel like a reject today
I don't wanna live like that
Burn another page from that playbook baby
I don't wanna live like that
